JOB DESCRIPTION:

Join our dynamic team to provide compassionate, person-centered care in aged care and disability community settings for children and adults. Based at the Hallam Hub or Bairnsdale Hub (with a 6-month rural rotation option), you'll deliver tailored therapy services as part of an interdisciplinary team. Your role includes conducting assessments, creating personalized therapy plans, monitoring progress, and collaborating with clients, families, and stakeholders to achieve goals. Bring your cultural awareness, advanced IT skills, and dedication to best practices to make a meaningful impact. If you're an advocate for ethical care and participant rights, we'd love to hear from you!
