

Play-based Paediatrics

Mobile Allied Health Services • Paediatric Physiotherapy

We meet children and their families where they are — without judgment — and tailor therapy through each child's own interests, games and activities to unlock their full individual potential.

Accepting new referrals —
immediate availability

Plan-managed & Self-managed NDIS
participants

Two experienced paediatric
physiotherapists. In-home therapy,
validated assessments and detailed
NDIS-aligned reports.
Hydrotherapy and learn-to-swim / water
safety
